## Starting well

Let's make some New Year resolutions for our Spiritual Health, something that will last through all eternity.

1. Keep on praying—make time to open our lives and hearts to the Lord, He delights to hear our concerns and help us.
2. Keep on reading—open up our Bibles on our own or in small groups to see and hear what the Lord is saying to us.
3. Keep on meeting—Church and small groups are vital to our Spiritual growth, never think you can do it alone.
4. Share what you have been given—the natural reaction to appreciating the gift we have been given is to share the knowledge of Jesus with others.

Jesus calls you to know Him more deeply this year.
