Keep on!

The Christian life is not a sprint but involves a life long commitment to stick with Jesus to the end.

Starting with a burst of enthusiasm is great but needs to be followed up by dedication in the tough times. Paul uses the example of an athlete who trains to win, not just to start the race.

We are called to persevere and stick with Jesus because that's exactly what He did for us.

Prayer Points:

- For the ministry of the Church to the poor
- For the children and leaders of Ignite 5.14
- For the strength to always follow Jesus
